OUTDOOR RANGE

Ecosmart™ Fire Outdoor Range

Ideal for any outdoor environment, the EcoSmart™ Fire Outdoor Range compliments an landscaped area, patio or swimming pool. The Outdoor Range offers the perfect addition to intimate alfresco dining settings, commercial restaurants or bars.

Each item in the Outdoor Range features an EcoSmart™ Fire, state of the art Burner Kit. Fuelled by Denatured Alcohol, and environmentally friendly, renewable energy source, EcoSmart™

Fires are a vent free, completely self contained fireplace solution for nearly any outdoor environment.

The newest addition to the EcoSmart™ Fire Outdoor Range is the Synergy Series – a new twist on a collection of EcoSmart™ Fire Classics. See page 10 for more information.

Burner Kits

Burner Kits offer the flexibility to bring fire to outdoor installations without the need for venting or a permanent utility connection. Burner Kits offer an easy to install solution for custom fire features.

When installing an EcoSmart™ Fire Burner Kit, the Product Specifications and Installation Manual must be strictly adhered to. When installing Burner One or XL Burner outside, Burner Covers (Page 17) are a recommended accessory

Burner One

H 4.4 X W 11.4 X D 11.4

Around Burner

H 6.2 X DIAM 14.4

XL Burner

H 5.3 X W 35.7 X D 7.6

Tower

H 55.24" x W 16.54" x D 16.54"

Powerful & dynamic, the Tower is an iconic, architectural statement that is at once functional & elegant. Constructed of powder coated steel and tempered glass

Available in Black or White.

Cyl

H 20.98" x W 15.55" x D 15.55"

The Cyl is a cylindrical shaped "tea light" fireplace. Constructed from stainless steel and tempered glass, the Cyl is portable and designed to make a dramatic statement in any outdoor environment. The Cyl features the EcoSmart™ Fire Around Burner.

Lantern

H 31.18" x W 17.13" x D 17.76"

Built from mild steel and available in a patina finish, the Lantern's unique abstract cut out pattern comes to life, enhanced by the flame, creating a visually stunning masterpiece. The Lantern includes the Around Burner.

Mini T

H 24.49" x W 17.32" x D 17.32"

The Mini T is perfect for intimate gardens. Constructed from brushed stainless steel and tempered glass wrapping the EcoSmart™ Fire Around Burner, the Mini T is a versatile fire feature suitable any outdoor environment.

Synergy Series

The Synergy Series marks the latest addition to EcoSmart Fires growing Outdoor Collection. The Synergy Series is the result of a clever fusion of weather resistant finishes, an exciting new outdoor color pallet and the familiar style and functionality of EcoSmart Fire's Designer Range.

The Synergy Series offers clients seeking outdoor fireplaces the stunning design, style and benefits of the existing EcoSmart Fire Designer Range Models by fusing resilient, extremely high quality materials suitable for outdoor use.

All Synergy Series surrounds are developed using entirely locally sourced, heavy-gauge steel containing 65-80% recycled content and all Synergy Series models are available six carefully selected premium powder coat colors.

The powder coating process used creates zero VOC and results in a durable and exceptionally sophisticated finish. Available models include; Vision, Fusion, Cube & Aspect.

How it Works

EcoSmart™ Fire Renovator Range

Urban Nature Surround

Synergy Series

SYNERGY VISION

Synergy Vision

H 34.75" x W 43.5" x D 20.75"

The Synergy Vision is a see-through, double sided fireplace. Its rectangular shape and deep frame offer a mesmerizing addition to any landscaped space; residential and commercial.

Available in six color options. See page 15.

SYNERGY FUSION

Synergy Fusion

H 34.25" x W 34.25" x D 17.75"

Synergy Fusion is a double sided, versatile fireplace adding an entirely new dynamic to outdoor fireplaces. The Fusion is smaller and more compact than Vision, perfect for smaller spaces where space is a premium.

Available in six color options. See page 15.

SYNERGY CUBE

Synergy Cube

H 34.25" x W 34.25" x D 15.5"

The square fascia and tight dimensions of the Synergy Cube provides a versatile freestanding feature designed to complement a variety of outdoor areas.

Available in six color options. See page 15.

SYNERGY ASPECT

Synergy Aspect

H 33.25" x W 41.75" x D 15.5"

Rectangular in shape, the Synergy Aspect looks sensational in any exterior location or alfresco space. Finished immaculately, the rear features two subtle handles to allow for easy movement.

Available in six color options. See page 15.
